"Champions do not become champions when they win the event, but in the hours, weeks, months, and years they spend preparing for it. The victorious performance itself is merely the demonstration of their Champion Character."

Presidents Report January 2024

Happy New Year to everyone.

To date we have had three shows in the South Island and four shows in the North Island plus a very successful International Training Clinician. So far the weather is holding so fingers crossed for the rest of the season. We have had a very generous response to Sponsorship this year with most of the buckles Sponsored and most of the classes.

If anyone knows of a company or family that would be happy to provide some sponsorship then please contact Anna (Thankyou so much Anna!!!) or Janine.

For those, fortunate enough to attend the Robert MacKay clinic in the North Island and South Island, I'm sure you all went away happy with new knowledge to help you improve for the season ahead.

Thank you to the Holmes Family for the venue and hosting the MacKays and to the Taylors in the South for doing the same. Please consider that there are a few people leaving council this year so if anyone would like to be part of the team, get your nomination in.

I would also like to say a huge thankyou to Aimee for getting this Chatter organised and out as its a very time consuming job.

All the best to you all for the rest of the season and don't forget to smile and have fun!!!!

Cheers Janine

Show Ring Etiquette

With our upcoming futurity show below is just a reminder to ensure the smooth sailing of our show.

-Loping area - please walk to the inside of the circle leaving room for others to trot and canter around you all moving in the same direction.

- When entering the loping pen yield to all horses in motion.
- Never stop in traffic. Dry work should be done in an area where there is no traffic.
- Change direction and maintain flow in one direction when asked. Always ask when you wish to change direction.
- Apply boots and groom in areas with no traffic.
- Keep a good sense of humour and be courteous to everyone in the pen.

- Mechanical cow - this will be set up and available, please be mindful if someone has a run before you or others are waiting.

- Herd settling - the first rider in the draw for each herd is responsible for organising someone to settle that herd.

- Help team - ensure you have a team organised prior to your run.

- Arena director - the arena director will endeavour to be there for every herd, however there will be 2 whiteboards displaying the draw, please ensure you are ready to go in your slot.

- Coned off area - this area behind the trailer is for the next competitor only.

- Photography - please respect our official photographer (Holmes Cutting Horse Photography) and any work being done to present posed photos with our line ups and champions.

- Please see anyone on council, the arena director or announcer if you have any problems.

- Unsportsmanlike conduct in the show arena or show grounds is prohibited.
- A contestant shall make no comment within a judge's hearing regarding any work taking place at a performance.
- No alcoholic beverages may be consumed or bought into the arena while an NZCHA approved or sponsored cutting horses contest is taking place.
- A contestant shall not intimidate or attempt to intimidate, a judge/s. Violation of this subsection will be subject to disciplinary action as determined by council.
- Judges sheets must not be removed, altered or tampered with in any way. Any infraction of this rule will be considered a serious offence and will be reported to the NZCHA for possible disciplinary action.
- Dress attire as per rule book, all competitors are to wear a western hat, long sleeved shirts with collars and buttons snaps or zips down the front. Sweaters may be worn over an appropriate shirt. 1 hour prior to the published starting time of the show anyone in the arena must be in correct western attire.

•Wendy Mackie Proxy to Grant Mackie

Moved: Kristin/Seconded: Melissa

Minutes of Previous Meeting:

Were distributed with the Agenda for this AGM and taken as a true and accurate record, with the Amendment that Barrys comment about the Futurity and Hawera venue was meant to be tongue in cheek, whereas written it looked like he wanted it taken away because he didn't want to do the work, which was not the case. Karen formally apologised to Barry for the wording.

Moved: Helen/Seconded: Julie

Matters arising from Previous Meeting:

- At the previous meeting the consensus was that February was too early to host the National Futurity, and it was disappointing that the council overrode the AGM Consensus and went with February anyway.
- Outcome – the Council must take the feelings of the AGM, as that’s what majority of members actually want.
- Cattle Grazers are still required.

Remits: - No remits were received

General Business:

1.Futurity 2024 - Proposed Month, Venue

- Discussion included:

- Linley - The atmosphere for an after-futurity party has gone.
- Barry - We must be careful not to over do NZCHA welcome at Waimiha.
- Mindy- It is Hestas intention to make Waimiha an equestrian venue.
- Julie - When held mid-season, it loses it specialness.
- Geoff - Show Futurity horses all season in Novice before the futurity.

▪ Olivia - We lost a show for non-aged horses and riders by going the day before Nationals, when there is already a shortage of shows.

• Helen - Suggested we find another venue.

24/4/23

Secretary NZCHA

I am requesting an amendment of the AGM minutes and for the amended minutes to be resent to all members.

I did not suggest that we find another venue for the Futurity as written in the AGM minutes. My comment has been taken out of context.

My comment was made in the discussion of the Futurity venue which included lack of shows etc and I made the statement that it was very important for all affiliates to be looking for more venues for club shows.

I absolutely have no issue with the Waimiha venue for the Futurity.

Regards Helen Holmes

- Consensus - February is straight out too early for Futurity.
- Grant - Can we set a backup cancellation date (ie: week later) for the Futurity and Nationals if weather creates a problem.
- Bryan - Oct Futurity then it is at start of a new season.
- Melissa - Why not the Hawera venue.

OUTCOME: Olivia will set up a member's poll which is anonymous (via Monkey) to include:

- Members to identify their Choice of Oct/Feb or May of each year for Futurity.
- Members to identify their choice of venue, Hawera, Waimiha or other (potentially new venue).
- Members to identify if they prefer separate Futurity and Nationals or combination.

2. Nationals 2024 - Proposed Month, Venue

- Proposed that 2024 Nationals be at Waimiha weekend of 7th April, daylight savings with change during the show.

3. Little Cutters at National shows - Little Cutters will be held at National shows at the end of the day - NEW Portfolio which Olivia will take on.

4. NZCHA Constitution (Working committee) Craig and Grant

5. Janine Taylor - Day fees

- Discussion:

- Why don't people want to be full members of the Association?
- Suggested that Sth Island run two club snaffle bits for their members that don't want to be NZCHA members, NZCHA doesn't received any levies from these entries.

Out Come:

- When non NZCHA members are required to fill training clinics, there will be a NEW Clinic Day Fee (\$25), NZCHA members must retain preference for clinics.

6. Olivia Ladd - NZCHA entry fees sponsorship and how entry fees increase because of this. Discussion:

- Historic, any sponsorship over a traditional guaranteed purse would usually increase that classes entry fee.
- Why are entries 10% to 20% of the guaranteed purse, shouldn't clubs choose how much they charge as an entry fee.

Out Come:

- Clubs should be able to set their entry fees, they still must pay out as per the rule book.
- If the Association or clubs set a guaranteed purse per event and then receive more for that event via sponsorship, the top up shall not affect the entry fee, the winning competitors will be paid out the guaranteed purse plus the top up value.
- As no Motion was tabled it is over to Council to finalise and update Rule book.

7. Helen Holmes - Not a remit. It's a request for the AGM's agenda to include a discussion in general business about the Chatter and other forms of media to hear memberships suggestions. It is not a discussion to criticise or complain about all the great work done with NZCHA's media but a chance to provide positive comments or suggestions as to how the NZCHA may be able to change or even not change some aspects of its media presentation in a way that most members prefer. It is also a time to discuss the best ways to promote our sport through media. Below are some questions for members to consider.

1. Is the Chatter now an antiquated service for getting information to members? Its origins were from the days of typewriters and postage as the only form of communication. Should it be continued in its present format?
2. Should we review the printing of the Chatter as a choice for some members? Most business invoices are now emailed for the recipient to print. Should the Chatter be the same?
3. Should there be an extra charge for those receiving a printed Chatter? Presently it is costing about \$70 per Chatter to print/post or approximately \$420 per year for about 9 printed copies each Chatter. The approximate cost is \$46 per those who receive a printed copy per year.

4. Should the NZCHA move towards a different way to communicate with members e.g emails and the website? We now have the technology for any information be it show approvals, results etc to be made available as soon as they are produced.
5. Should the NZCHA website be the sole place for all information - the one place to go to find out all you need to know?
6. Are there any changes to the content of the Chatter, Website etc that you think could be made to improve your interaction with them.
7. What other suggestions are there from members as to the best options for delivering you information?
8. Are there any other suggestions re the NZCHA media.

Out Come:

- Majority voted to retain a "Chatter".
- When Melissa receives the emailed Chatter, she has kindly offered to print for FREE any copies that are required for posting, thank you Melissa.

General Business:

8. Geoff advised the members that a Lawyer working with the NZ Rodeo wants support and backing from the NZCHA going forward regarding challenge the Rodeo is facing from activists.
 - Grant has been granted permission to approach and liaise with the lawyer on behalf of the NZCHA and come back to council with what they actually want from the NZCHA.
 - Melissa (through her job) will assist the NZCHA with approaching MPI for legislation and preparing for an audit, working with SPCA etc to get the association signed off, this needs to happen ASAP, so we can be ahead of activist that may come after our sport. We need to take control for ourselves with a duty of care.
9. Bryan questioned why there seems to be an ongoing issue with the Associations timer clock.
 - A friend of Ammie Wright will assess the clock and make a recommendation to repair or replace the clock, then Julie will come back to council with the outcome.
 - The clock may work ok straight off a car battery all the time.
10. Animal Welfare Officers for 2023 – Grant, Melissa, Geoff and Colin.
11. After the discussion on the Chatter, there were still no nominations or volunteers, reminder that Chatter editor receives a full NZCHA membership for each year they are elected to be the editor.
 - Now over to current council to engage a Chatter Editor.
12. Grant thanked Janine and 2022 councillors for dealing with what has been a difficult year.

Meeting closed at 9:10pm [Click here to download the 2023 AGM Minutes.](#)
