  - **FROM THE OFFICE**
    - # If you entered a horse in the 2024 Open Futurity or the Snaffle Bit Futurity you are required to fill in a registration form. This is all part of our Rule Book and Constitution in that the NZCHA is required to keep a registration of all members horses who have competed in an approved NZCHA class. Can you assist this process please by filling in the form below and sending to the NZCHA Secretary.
    - # If you know of any member who is not receiving these memos then please let us know. Same if you can not open or read the file so we can fix the problem.
    - # The **2023/2024 Membership & Renewal form** will be finalised at the Council meeting 8/9 July and sent to you all asap as they are due for payment by the 1 August.
  - **CLUBS** If any clubs are advertising their AGM's could that info be sent to the Secretary please. That will give clubs inclusion in memos, the website and the 2 NZCHA Facebook pages. Yes it is getting to that time of year again but we have done the shortest day and summer with a new cutting season, is on its way.
  - **WINTER CUTTING FIXES** Hope you all enjoyed the live stream of the Australian Futurity Show or was one of the many kiwis who crossed the ditch to watch it live and the master Todd Graham winning again. If you are keen to rewatch any runs from that show then copy and paste this link in your web browser: <https://aen.5stream.com/#/home>.
    - # If you are keen to watch any live cutting from Australia or the USA then down load the free CHC Live Scoring app to your computer or phone. [www.chclivescoring.com](http://www.chclivescoring.com)

- # Then for those of you keen to watch an enormous amount of training videos and have sufficient wifi to watch videos then subscribe to Cutting Horse Training on line - <https://chtolive.com> - from training all ages, tuning older show horses, showmanship, judging tips etc all from the top trainers in the cutting horse world.
- **EXTRAS** If you have any ideas as to what you would like to see in these NZCHA memos or the Chatter when we get an Editor or have something to share then let the Secretary know: [nzcutting@outlook.com](mailto:nzcutting@outlook.com)
- The next NZCHA Memo early August will include details from the Council meeting so watch this space.

Cheers
