Presidents Report

Hi everyone,

Im guessing if you are like me then your ponies will be woolly, hay eating mammoths right now!!!!

Our Futurity show held on the 8th May was a great success thanks to the hard working team behind the scenes. A huge congratulations to our newly crowned Champions and all the other competitors for making the show it was by supporting it so well. I would also like to thank our Sponsors hugely for their ongoing support, this is so very appreciated.

Council met on the 26/27th June in the Taupo area, to discuss and plan the year ahead along with anything else to shape our season.
The members feedback framed our meeting from the start and I`d like to say thank you to all those who responded and put their ideas forward. We certainly got through a lot of business in 12 hours and 2 days, and it was hugely constructive in all ways.
I would also like to welcome Melissa Poingdestre back on council and thank her for agreeing to do so.

We have some great Training clinics, a Judges clinic, and lots of shows to look forward to over the coming season. In the meantime, keep warm and see you in the Spring.

Janine

Congratulations <u>BARRY LADD</u>

on your Induction into the Riders Hall of Fame.

Barry began riding as a 5 year old on a Donkey called Scotty. He went on to ponies and later station hacks when he worked as a Contract Musterer on many Stations around Gisborne. He started breeding Quarter horses in 1975 and registered his first horses, Gina's Pride and Gay Imp that year.

Western Performance was his sport of choice for many years from 1978 and he continued to compete with Catherine and Jacob joining him as they got old enough. He started Cutting after Jacob had showed an interest in the sport after seeing the shows at both Taupo and Taumarunui and took the opportunity to join him in that sport.

In Barry's first year of Cutting he rode Jacob's horse Jay Di plus he was generously given rides by others at the time to get experience. He was at that time also training I'm Guna Cut and taking her to Shows and went on that year 2008 to win the Futurity. Since then he has trained another 8 Cutting horses winning his 2nd Futurity in 2016, with Instant Whiz who also won the South Island Futurity that season. Then this year 2021 he won again with Reckless Driver.

The Highs of his Cutting.....

Winning each Futurity. Placing 2nd in the Open at the Futurity show this year with his young horse and getting the highest score for all Futurity Horses at that show.

Seeing Catherine win her first Futurity in 2009 and watching Jacob also train his own Futurity Horse

Competing against 3 other family members at Shows, its always fierce competition!!!

Overall he really enjoys training young horses in the sport of Cutting, no easy feat.

He loves to show, winning or not and of course enjoys time with family and friends.

LITTLE CUTTERS NZ

Thanks to Lone Tree Hill Cutting Horse Club (Aust) for allowing NZ to follow their lead and introduce "Little Cutters" to events we can offer members at Affiliated Club level.

What is Little Cutters?

it's a Non Points, special class for children who are keen to have a try in the Cutting Pen, but need assistance to be safe, the priority is fun and entertainment.

Rules:

- All Little Cutters should wear a correctly fitted Helmet and safe footwear, extra points awarded if they are in Western jeans, shirt and boots.
- Entry is FREE and late entries accepted up to the start of the class.
- One Run per rider.
- There is no limit to the bred or size of the horse, as long as it is safe.
- This event is exempt from the rules restricting only one rider on a horse, and riders can be under 5 years of age.
- The following is not a division, but a guideline as to the use of cattle or the mechanical cow.

Lead Rein Little Cutter - Riders will be led by a suitably experienced assistant on foot, working a few turns on the mechanical cow or one single beast. A herd of cattle are not permitted in the arena at the same time – for safety reasons.

Little Hug Cutter – The Little Cutter rides astride in front of their support rider. One beast up to a small herd of quiet cattle is permitted, or the mechanical cow can be used.

How to Judge Little Cutters:

- Each contestant has a time limit of 1 ½ minutes or one cattle beast per run, (IE: the run ends when the rider indicates their QUIT, up to a max of 1 ½ minutes)
- Points will be awarded for:
  - ◊ The approach - Acknowledge the judge with a big smile and a wave,
  - ◊ Having Fun,
  - ◊ Time Worked - Crossing the timeline and driving up on the bag or beast and getting a few turns,
  - ◊ Quitting the bag or beast - Show the judge they are quitting the bag or beast, by lifting one hand with or without reins like how the bit Cutters quit.
  - ◊ Wearing Western Attire with a Helmet.

Little Cutters Judges Sheets (2021)

Rider	Score (work on 20 pts per content being above average)	Run Content:				(+) Above Average ✓ Average (-) Below Average

Who would be happy to have their names added to a trainers list,

not necessarily on a professional base.

This list would be made available to newbies or inexperienced riders for them to be able to approach for help with either dry, cattle or bag work.

HELP HORSES

Help horses are essential to the success of Cutting shows, in recognition of those few owners who supply help horses and often have at least one to three other horses to prepare for showing as well as the help horse, **we are asking members to help these owners before, during and after shows** to tack up, untack, take horses for water and generally assisting with the horse's care whilst at the show.

If you receive a prize product you do not like or choose not to use, consider giving it to the owner of a help horse, as a way of saying Thank you.

We appreciate and thank the following people who supplied horses at one or more shows over the past year solely as help horses, we appreciate members who help in the herd on their show horses, but we can't show without the Help Horses.

Steve & Julie; Barry; Janine & Geoff; Natasha; Kirstin; Colin and Helen; Karen and Mindy, Lynda, Robert.

RULE ADMENDMENT

Page 39 Rule 9 – Change Cert of Ability to $2,000 and Cert of Merit to $3000

(*effective 2021-22 season and forward)*

NEW RULINGS

Page 38, Rule F – amend to read **"**National's pay-outs will be paid over 2 go rounds and the aggregate at 25% per go round and 50% for the Aggregate.

NZCHA annual HI POINT BUCKLES – Staring with the May 2021 Futurity up to and including the 2022 National Finals and going forward, there will now be **"National Season Hi Point Buckles"** for all standard classes which will be announced at the awards dinner at the completion of the National finals (no trophies except for the Hi Pt Mare, Gelding, Stallion & 5yr old, they don't get buckles). – **National Final champions continue,** and recipients will receive their trophies and buckles at the completion of their classes, during the show.

SHOW ETIQUETTE

A Bell or Whistle shall be sounded approx. 1 hour prior to the start of the show, as a reminder to contestants and anyone else in the arena that they must now be correctly attired, and that training equipment is also prohibited in the arena until the end of the show (IE after all presentations are concluded and the judge has left the arena).

SHOW APPROVAL FORM EXPLAINED

– what are competitors paying for?

Entry Fee is usually 10% to 20% of the purse for Championship events and is added to the purse and is paid out to on a scale (see Rule book for scale). Aged Events do not have added entries to the purse, it is just the Purse that is paid out on a % scale. Jackpots can be just a started entry fee no less than $10 or can have an added purse (but not essential), 100% of the entry fee and purse if there is one must be paid out.

Office Fee – This contributes to the cost of the judge, stationery like judges' sheets and other associated admin cost for the show.

Cattle Hire - varies from show to show, depending on how much the club or assoc. is being charged to hire the cattle from the farmer. Remember that someone has to collect cattle and move them to show venue (if they don't live on site), and return cattle after the show, if the farmer does this for us, often a gift basket or money is offered or included with the Cattle Hireage. If cattle are trucked into the venue, the break down is: actual cattle hire paid to farmer, transport company invoice per cattle beast, for delivery to show and then returned home after show, mileage influences cost.

Levies – These are passed onto the Association, $1.50 per run is deducted and put aside for Cattle insurance (if a beast was injured or killed, the Association is liable for its cost), the remainder of the levy goes towards the Associations public liability insurance and topping up Association running costs, Judges flights etc.

EXCITING STUFF!

SNAFFLE BIT RULES ADMENDMENTS:

Page 10 rule g - Snaffle Bit Rider – change to read "The Snaffle bit Rider is a one- or two-handed contest, **open to ALL riders regardless of LTE**. **Horse/rider combination may not compete in a non-Pro event or Open/Novice Horse event at the same show.** Points earned in Snaffle bit Rider are stand alone and do not count towards any other event eligibility. A competitor may borrow a horse and may pay a day fee to compete, however day fee competitors are not eligible to compete at National Finals or be eligible for North or South Island Annual awards.

There is a limit of two horses per rider in this class, and only the points from their highest earning horse will count towards high point awards. Horses may be shown using one or two hands on the bridle reins. Twisted wire snaffles, gag snaffles or shank snaffles shall not be used.
