RULES CORNER

LOPING PEN RULES

***A timely reminder to all rules/ conduct that needs to be strictly followed in the Loping Pen.
We ask that we all take note of the below rulings in order to keep our lope pen a safe area at all times.
Those rules highlighted, need urgent attention.***

1. Horses not entered in the current cutting class are prohibited from the enclosed loping pen or area where horses enter into the competition ring. Ideally, unless space allows, No more than 17 horses should be in the loping pen at any one time (This does not apply to help horses). (This is determined by 17 horses being the maximum number of horses in any one herd).
2. No horse (unless for little hug cutter classes as run by affiliates) can carry two or more persons at any time in the loping pen or competition arena.
3. Horses cannot be lead from another horse in the loping area.
4. When entering the loping pen yield to all horses in motion.
5. Enter the stream of horse traffic from the outside in the same direction as the group and look around before leaving the group to avoid contact with another horse.
6. Stay to the inside of the group if you wish to go slow, stay to the outside if you wish to go fast.
7. Never stop in traffic. Dry work should be done in an area where there is no traffic.
8. Riders must be in control of their horse at all times.
9. All lopers must follow NZCHA attire rules while in the loping pen.
10. Do not weave in and out of traffic and avoid contact with other horses. Maintain a constant speed in your position.
11. Change directions and maintain flow in one direction when asked. Always ask when you wish to change direction.
12. Apply boots and groom in areas with no traffic.
13. If you must tie your horse, tie them to a secure fence, not panels. Do not tie stallions, kicking or biting horses in the loping pen in the traffic area.
14. Yield to all vehicles, pedestrians or horses wishing to enter or exit the loping area.
15. Maintain NZCHA animal welfare rules while in the loping area.
16. Keep a good sense of humour and be courteous to everyone in the loping area.
17. Do not ride under the influence of drugs or alcohol.
18. Adjust stirrup lengths to suit the person riding the horse.
19. All horses must be ridden in approved NZCHA equipment while in the loping area.

Use this section as guidelines only.

It is the responsibility of members to use common sense whilst in the loping pen.

**These rules can be found in the 2022 NZCHA Rulebook, Page 59.
Any questions or concerns, please contact Gemma Williams- NZCHA Rules Coordinator-
via the NZCHA Secretary.**

Presidents Report

Firstly our thoughts and Hearts go out to those affected so very badly by the impact and devastation of Cyclone Gabrielle. Many of our members and our wider community of friends have been badly affected and the clean up will be immense with many of us feeling so helpless.

The Show season has begun in both islands now and we look forward to seeing our Futurity horses compete soon.

We thank our Venue Hosts and cattle providers most sincerely.

Its a big job hosting a show and without them our sport could not continue.

Enjoy the rest of your season and see you all soon.

Cheers Janine

Bombproof

BY KELLI NEUBERT OCTOBER 10, 2022
From westernHorseman Online

Is it counter-intuitive for me to boldly state that a horse dubbed "bombproof" scares me a little? See, hearing that term always brings a hint of scepticism to my mind. I know horses exist who can walk through a live minefield and have no reaction, but usually they aren't something most folks would be particularly excited to ride, and people for whom this is a pre-requisite might be a tough fit for most of the horses in the world (and the situations they may face).

Now, I'm not trying to kill anyone's sale. I do understand it's a blanket term and should be taken as meaning that a horse is VERY gentle. I get it, but I hear so many people these days state they need a horse that's basically bombproof. It's a tough fit, one that may even come with a little backlash in the future, should said horse ever spook. I'm comfortable with stating when something is safe to ride, but bombproof? Who wants to run into someone years later, with a busted lip and gimp in their step from a fall-off, shaking their fingers at you, saying "You sold him to me as bombproof!"

To be honest, I don't think that shopping for a bombproof horse is a very easy task, or a very realistic one. As sellers, we understand the term is sacred and should not be diluted. It's reserved for the 2% of horses that really have been through the ringer, seen it all, done it all and boldly march into the circus ring without flicking an ear. Most of us love selling horses that are safe, sound and sane, but when I get buyers who say "bombproof," I usually tell them I don't think I have what they are looking for. Even my most gentle horses and ponies might react to something I cannot anticipate. In fact, my personal feeling is it's preferable to have something with a little self-preservation, most days. I once had a pony that was gentler than a drugged tortoise, but when Luke would fire up his welder, he would startle. I've seen old, worldly geldings tied to trailers in my driveway try to rip the ring off the side of their Featherlites when they see my old pet pig stroll by. Even if they leave my place with my brand, as gentle as a person could want them to be, who can guarantee it will carry throughout every experience of their lifetime?

I buy horses, too, and I would never have the expectation of "bombproof" from a seller. The biggest thing about a potentially gentle mount is their disposition, temperament and broke-ness. Sure, a horse is gentle and seasoned, but if we encounter something unexpected or startling on the trail, does he have the right buttons and pieces to make sure my kid, mother-in-law, etc. can still stay safe?

Please know this is not an absolute truth. Some horses really do fit the bill. Good people sell bombproof horses and they are, indeed, the safest thing on four legs. There are plenty out there and I applaud the folks who make them and the ones who seek them out. Most people who use the term carelessly to describe something that may spook sometimes are probably not trying to be malicious or deceptive – that's just been their experience with the mare or gelding. I'm just calling to attention the fact that the word "bombproof" is something to really think about before putting it in a description, whether we are buying or selling.

Now, tell me about something that doesn't whirl at an emu, snort at a llama, or set back at a pig passing by, and you've got yourself a sale, my friend.

Previous Minutes of AGM 2022

New Zealand Cutting Horse Association Minutes of AGM

Sunday 10th April 2022 @9am At Waimiha Whenua Farm

Welcome – Janine Welcomed all those in attendance.

Present - Barry Ladd, Frank Grieves, Alana Rowe, Grant Mackie, Julie Gregory, Wendy Mackie, Steve Gregory, Kristin Anselmi, Mindy Matchitt, Geoff Taylor, Helen Holmes, Janine Taylor, Karen Matchitt, Merrill Kinney, Anna Dawson, Catherine Ladd, Gemma Williams, Linley Ladd

Apologies—Bryan Lowcay, Graeme & Sharlene McInnes, Peter & Lynda Ormiston, Colin Holmes, Jacob & Olivia Ladd, Melissa & Wayne Poingdestre, Harold Morrissey. **Moved: Gemma Seconded: Helen**

Proxy votes One received but proxy holder was not present, so unrecorded.

Minutes of Previous Meeting

Minutes of the previous AGM were emailed out to all members, those present were asked if they required the previous minutes read, they did not, therefore it was taken that the previous minutes are a true and accurate record. **Moved: Frank Seconded: Merrill**

Matters arising from Previous minutes.

- Cattle:** Who is responsible for cattle freight to and from the farm to arena? Council needs to ask the Stock carriers who is responsible when cattle are injured while in transit? *Sanfords confirmed that they are responsible for cattle once loaded regardless of if for Hire or Sponsorship.* Do we need to collect the cattle levy all the time? *The Cattle levy is \$1.50 within the standard individual entry levy and is divided out by NZCHA to sit in either the Term Deposit or Cattle Acct for the purpose of Cattle Insurance if ever required, a recommended monetary value of \$20k was set in 2021, it is a good policy for the Association to continue with the levy, excess funds over the 20k can always be used for other NZCHA needs as long as it stays within the Councils set perimeters and it was agreed that this should continue to be collected.*
- Judges Rule books** had not been printed and distributed to judges. It was decided that the 2021 Rule book should be reformatted down to A5 size in a ring binder and a copy given free of charge to all NZCHA Judges, with a notice in Chatter that if members wanted a copy, they could purchase one for \$20.00. **(ACTION: Gemma)**
Moved Anna Seconded: Julie

Financial Report:

Auditors & Treasurer Report to Dec 2021 emailed to all members with the meeting agenda and copies were made available at this AGM.

Main Acct = \$16764.11
Cattle Acct = \$ 29408.14
Term Deposit Acct = \$9581.91

Total Financial Position = \$55,754.16 as at 31 Dec 2021 (of this \$20k held as Cattle insurance)

Discussion on Term Acct – Wendy explained how the fixed term Acct worked and that we should aim to get 10k into it for higher interest **(ACTION Karen) Moved: Karen Seconded: Gemma**

Presidents Report

Presidents Report 2022

It gives me great pleasure to present my Presidents report for 2022. It has been a great season of Competition and all things pertaining to cutting. This was our first season of having our Futurity Show in February instead of May when it's been traditionally held, with horses competing as 4-year-olds instead of 3-year-olds. This enabled them to go on into the rest of the season as show horses.

To watch the progress of these newly trained horses and see the level of training and commitment along with the trust these combinations have built is outstanding.

We had a very productive first meeting as a new council in August 2021. This was in the form of weekend retreat and helped us set our goals for the upcoming season with some very good ideas coming forward. It also meant that we didn't need to have too many zoom meetings during the season.

With Covid being a huge shadow over everyone heads, our clubs and associations have done well to proceed with little disruptions to hold shows. It was wonderful to see two smaller clubs run Futurity shows as well.

Our Snaffle bit classes continue to grow in strength, and we welcome our new members. This class has become very competitive with a great standard of Snaffle bit cutting coming through.

It's good to see such a high pedigree of Cutting Horses being bred in New Zealand. There are some great Cutting Bloodlines that we look forward to seeing in the future.

I would like to thank all our council for the incredible work they do to make Cutting the fun it is for all of our members.

A special Thanks to Karen as our Secretary and Treasurer for all her work that made my job easier.

To our National Show secretary Julie, I thank you, is a huge effort to co-ordinate shows.

We have some pretty amazing councillors who source incredible amounts of sponsorship, catering, judging portfolios, Cattle Schemes, Venues, the list is never ending...I thank you all for the time you give so generously. Our Chatter editor, Mindy and our points collator, Olivia grateful thanks to you. You know who you all are, and I thank you so much even if I haven't individually named you all.

Our Shows can't operate without our property owners. Please take the time to thank them whenever you can. It's a huge task to prepare an arena and source enough cattle for a show.

Also, to those of you who bring help horses, I thank you very much. If you can't bring a help horse, perhaps take the time to help wash them down or help feed and untack them at the end of the day or offer a big thank you.

For those leaving council, we thank you most sincerely for your hard work. It never goes unappreciated, and we will miss all you had to offer.

I welcome the new council for the new season.

Thankyou Janine Taylor

Remits – No Remits were received by closing date.

General Business

-Futurity dates 2023 and discussion

Grant asked if there was a possibility of having it with the Nationals?

Barry said he'd like to see it gone from Hawera, so he didn't need to do so much of the work for it.

Consensus February is too early, Julie has a date pencilled in at Hawera for Mid-March 2023, however it is now over to new council to finalise when and where.

-Rebranding Logo voting – the winning logo from Members votes was displayed. Karen moved that the "New NZCHA Logo" be accepted, Seconded:

Wendy **CARRIED**

-Kristin Proposed that NZCHA incorporate a new event "Youth Snafflebit" to club show programs as a pathway from Little Cutters to Youth hands down competition. Seconded: Mindy **CARRIED**

(ACTION – Kristin to present ruling for new class to council for approval and including in Rule book)

Gemma felt concerned about Little Cutters event using actual cattle with health and safety in mind. After discussion the outcome was that clubs already had to ability to use the mechanical and guidelines could be amended as to numbers of cattle present in the arena, after accessing cattle temperaments.

(ACTION: Karen to amend guidelines)

Grant raised the question as why NZCHA had a Snaffle bit Horse and Snaffle bit Rider class for basically the same competitors. Karen pointed out that one class the points went on the Horse and the other the points went on the rider, the same as with Open Horse and Open Non-Pro. After discussion it is suggested that Clubs who offer a CLUB Snaffle bit should include a rule that a competitor can only compete in two Snaffle bit classes on the same day.

(ACTION – Affiliated Clubs)

The Meeting was closed at 0955hrs
