A Message from Craig

Hello Everyone.

Without a doubt the National Finals was a great success. The venue was brilliant, the weather was excellent, good cattle, good competition – everything just clicked. To everyone, thank you for chipping in when needed to make it a success – especially Julie Gregory for her secretarial work. Congratulations to all the winners of the awards, all well deserved. Helen has just done a reconciliation of the finances and it does however show a loss of \$2532.85. While it is a financial loss, I believe the members money has been spent for the members. This also shows the importance of the fundraising that has been done by those members in the form of the cattle scheme. I would not like to see any reduction in what we have just experienced at our Finals but for it to continue it is vital that the Cattle Scheme keep being supported.

The Futurity is upon us and I look forward to seeing you all.

This is Laura's final Chatter so thank you Laura for doing such a good job for us. I wish you all the best and hope you enjoy your horse in the pen with success.

All the best to everyone and have a good safe off-season.

Craig

HELD AT WAIMIHA WHENUA FARM WAIMIHA

APRIL 6TH 2019 8.30pm.

PRESIDENT'S REPORT

Hello Members.

Another AGM and it is time to reflect on what has been achieved over the past 12 months. We started off with a training clinic organised by the Ranch Horse Association and hosted by Barry & Linley Ladd. Then Gemma, Janine & Olivia did a brilliant job in putting together clinics in both the South Island and the North with Richard Webb. All the clinics were well patronised and were of great value to everyone who attended. I really think these events should be repeated. It brings the membership together and helps set up the coming season to improve the standard of cutting. Thank you to all of those who took part and to the hosts of the clinics.

We held three Judges Clinics – two in the North Island and one in the South – resulting in several Judges being upgraded. Thank you, Grant, for the time you put into holding these clinics.

Throughout the show season there have been good entries for the central North Island shows, which is very heartening. However, those shows out on a limb are struggling. I find it a difficult situation to deal with. Despite good efforts made by good people you can't make competitors travel. It is a problem which I think we should be addressing whether it be looking at the show calendar or rules regarding end of year awards. And in the South Island how can we improve the profile of cutting to try and attract new members. I am concerned about it but have no formula to solve this situation. I am also wanting suggestions to try and make things improve. One improvement that we have made is this venue for our National Finals. It is with grateful thanks to the owners and management of Waimiha Whenua who have been so welcoming to us. For making your farm and cattle available to us thank you so much. I am sure that it exceeds all the expectations of our competitors.

I would like to take some time and once again thank all councillors for their dedication to help running your sport. We say farewell to two of our councillors. To Tamsin – thank you for making what time you had available to us. You were the instigator of the Snaffle Bit Futurity and made the event available for members to take advantage of. It is a shame that it hasn't been repeated this year but who is to say that it can't be in future years. To Laura – thank you so much for the huge effort and professionalism you have put into publishing the Chatter. This publication is our shop window and you have presented it on a high level. You were probably the quietest councillor on council, however when you did speak everyone listened. Thanks to both of you and I wish you all the best for the future. A big thank you also to Christine, our Secretary. You have been a true professional in the way you have conducted your duties as our Secretary. A warm welcome to our two new councillors Kristin and Melissa.

This Association wouldn't be as healthy financially as it is without the massive support from those who take part in the Cattle Scheme. It is vital that these people get recognised as they make our membership fees affordable for the rest of us. Thank you all.

And now to the most important people of our Association. You, the members. Without your continued support in doing things - whether it be show secretaries, committee members, judges, cattle suppliers – thank you for being interested enough to care and help.

Craig

NZCHA Stock Scheme/Fundraiser

Please support the NZCHA's efforts to raise funds for the Futurity show, to maintain prize money or possibly grow prize money, as well as offsetting the costs of running these events.

Support Options Available:

Attached is a donation for \$ _____ to the Stock Scheme.

☐

I/We can obtain and raise a calf until weaning.

☐

I/We can obtain, raise and graze a calf/lamb until it is sold.

☐

I/We can graze a cattle beast until sold at approx. 2yr of age

☐

I/We have a grown cattle beast/lamb(s) to donate to NZCHA.

☐

Thank you for your support. We understand that not everyone is in a position to raise or graze a cattle beast, however it is a fabulous fundraiser and helps keep the membership subscriptions down. If you can support the scheme in any way, please contact our NZCHA Stock Scheme Co-ordinator (Craig) at 021-1293395 or send him an email at: westcairn@slingshot.co.nz. Donations can be sent directly to our Treasurer (Helen).
