NEW NATIONAL FINALS VENUE FOR 2019

April 6th & 7th – WAIMIHA, KING COUNTRY

Your council is very excited about this venue! Here is a little more about it.

Our judge is confirmed & is Brett Peel AAA from Australia.

Waimiha is about 25 mins off SH4, with 10 mins of gravel. The turnoff from SH4 is about 20 mins north of Taumarunui. There is a large flat area with heaps of room for vehicles and horses, a large arena with quite a deep sand base. There is also a large house that sleeps 10 people which can and will be hired. Beds are available for those who need sleeping accommodation at a modest cost. The house also boasts a large lounge – where the AGM and prizegiving will be held – and a barbecue area. There are plenty of cattle. Both the

owners and the manager are very keen for us to be there and want it to be an ongoing event.

The woolshed has 4 stables, cattle yards etc also under the woolshed is a 8 bunk bed room, toilet and a shower.

Our hosts for the weekend are farm managers Ryland & Hester Cudby.

Wool she with bunkroom, toilet & shower underneath.

Arena with deep sand base.
